1. This Application Form is applicable to employees applying for subsidy on shortfall in aggregate benefits received after the abolition of the mandatory provident fund (“MPF”) offsetting arrangement.
2. Before proceeding to complete the Application Form, **please complete the questionnaire below** to preliminarily assess whether you are eligible for making an application for subsidy on shortfall in aggregate benefits.
3. **If your answers to the first six questions of the questionnaire are all “yes” and there is a shortfall in your aggregate benefits as calculated by EasyCal of the Labour Department (“LD”),** you are preliminarily assessed to be eligible for making an application. You may proceed to provide your personal particulars and details of your employment on pages 3 to 9 of this Form. **Whether you are eligible for any subsidy to make up for the shortfall will be further assessed by the Service Centre for Subsidy Scheme for Abolition of MPF Offsetting Arrangement after receiving your subsidy application.**

The abolition of the MPF offsetting arrangement is also applicable to (i) an ORS which has been granted MPF exemption certificate; (ii) the provident fund schemes under the Grant Schools Provident Fund Rules (Chapter 279C of the Laws of Hong Kong) and the Subsidized School Provident Fund Rules (Chapter 279D of the Laws of Hong Kong); and (iii) a provident, pension, retirement or superannuation scheme (however described) of a place outside Hong Kong to which an employer has made contributions for an employee (including an imported worker) and due to which, the employer is exempted from arranging the employee to enrol in an MPF scheme in Hong Kong.*

## Explanatory Notes for Employees Completing the Application Form

### General

1. The Application Form is available in both Chinese and English. Should there be any discrepancy between the English and Chinese versions, the English version shall prevail. Please complete the Form in block letters and black or blue ink.
2. All items are required to be filled in except those marked with a “^” aside or otherwise specified in the Form. Please fill in “N/A” if the information is not available for the mandatory fields. For example, for the Chinese name of an Employer (item (9) of Part II), please fill in “N/A” if the Employer does not possess a Chinese name.

### Notes

- Note 1 This Application Form is applicable to employees:
- (a) whose employment commenced before 1 May 2025 and was terminated on or after 1 May 2025;
  - (b) any one of the following conditions is met in relation to the employees -
    - (i) contributions are payable by the employer for the employee to a mandatory provident fund (“MPF”) scheme in accordance with the Mandatory Provident Fund Schemes Ordinance (“MPFSO”) (Chapter 485 of the Laws of Hong Kong); or
    - (ii) contributions are payable by the employer for the employee to an employer-funded exempt occupational retirement scheme (“ORS”) because of the operation of that contract of employment; or
    - (iii) contributions are payable by the employer for the employee to a provident fund scheme under the Grant Schools Provident Fund Rules (Chapter 279C of the Laws of Hong Kong) or Subsidized School Provident Fund Rules (Chapter 279D of the Laws of Hong Kong); or
    - (iv) the employer is exempted from arranging the employee to enrol in an MPF scheme in Hong Kong because the employer has made contributions to a provident, pension, retirement or superannuation scheme (however described) in a place outside Hong Kong for the employee; and
  - (c) whose aggregate benefits (i.e. the amount of severance payment (“SP”)/long service payment (“LSP”) receivable from the employer upon termination of employment plus (i) the remaining amount of employer-funded MPF scheme benefits after offsetting with the SP/LSP (if any); (ii) the remaining vested amount of employer-funded ORS benefits after offsetting with the SP/LSP (if any); and/or (iii) the remaining amount of gratuity after offsetting with the SP/LSP (if any)) received after the abolition of the MPF offsetting arrangement are less than what the employees concerned would have received if the MPF offsetting arrangement had not been abolished.

The MPF offsetting arrangement refers to the use of the employer-funded (mandatory) MPF scheme benefits or employer-funded (basic portion) ORS benefits to offset the SP/LSP payable to the employee upon termination of employment. The MPF offsetting arrangement was abolished on 1 May 2025 and since that day, employers are not allowed to use the employer-funded (mandatory) MPF scheme benefits or the employer-funded (basic portion) ORS benefits to offset an employee’s SP/LSP in respect of **the employment period on or after 1 May 2025**. Employers may continue to use the employer-funded (voluntary) MPF scheme benefits (if any) and/or employer-funded (specified) ORS benefits (if any) to offset an employee’s SP/LSP in respect of the employment period both before and after 1 May 2025.

After the abolition of the MPF offsetting arrangement, some employees whose employment straddles 1 May 2025 may receive less aggregate benefits than what they would have received if the MPF offsetting arrangement had not been abolished. These employees may apply to the Government for subsidy to make up for the shortfall in aggregate benefits by completing this Application Form.

- Note 2 The Applicant must be an employee whose aggregate benefits are less than what they would have received if the MPF offsetting arrangement had not been abolished. For definition of aggregate benefits, please refer to Note 1 above.
- Note 3 If the Applicant does not have an English or Chinese name, please mark “N/A”.
- Note 4 Please provide the account information of a local Hong Kong Dollar savings or current bank account. The bank account should be under the sole name of the Applicant in item (1) of Part I of this Application Form or a joint account in which the Applicant is one of the account holders.
- Note 5 It refers to the Employer who employed the Applicant in the employment provided in Part III of this Application Form. Please provide the correct name and address of the Employer. If necessary, the Applicant may approach the Business Registration Office of the Inland Revenue Department (if the Employer is a sole proprietorship or a partnership) ([https://www.gov.hk/en/residents/taxes/etax/services/brn\\_enquiry.htm](https://www.gov.hk/en/residents/taxes/etax/services/brn_enquiry.htm)) and/or the Companies Registry (if the Employer is a limited company) (<https://www.e-services.cr.gov.hk/>). If the Employer does not have an English or Chinese name, please mark “N/A”.

Note 6 Please fill in the post title during the employment with the Employer named in item (9) of Part II of this Application Form.

Note 7 Please refer to “A Concise Guide to the Employment Ordinance” for the definition of “continuous contract”. Please provide the commencement date of the employment with the Employer named in item (9) of Part II of this Application Form.

Note 8 **Special conditions for termination of contract without notice by employee**  
Section 10 of the Employment Ordinance (“EO”) (Chapter 57 of the Laws of Hong Kong) specifies that, an employee may terminate his/her employment contract without notice or payment in lieu of notice (“PILON”) if:  
(a) he/she reasonably fears physical danger by violence or disease;  
(b) he/she is subjected to ill-treatment by the employer; or  
(c) on any other ground on which he/she would be entitled to terminate the contract without notice at common law.

For such cases, “Date on which termination took effect” refers to the date the employee exercised such right to terminate the employment contract.

**Termination of contract without notice by employee due to non-/late payment of wages**

Section 10A of EO specifies that if wages are not paid within one month after they become due, an employee may deem his/her contract of employment to be terminated by his/her employer without notice and is entitled to PILON in addition to other statutory and contractual termination payment, such as SP/LSP. For such cases, please provide the date up to which PILON was calculated.

**Termination of contract without notice by employee due to lay-off**

Under section 31E of EO, where an employee is employed on such terms and conditions that his/her remuneration depends on his/her being provided by the employer with work of the kind he/she is employed to do (e.g. piece-rated employee), he/she shall be taken to be laid off if the number of days on which no work is provided and no wages is paid exceeds:

- (a) half of the total number of normal working days in any period of four consecutive weeks; or
- (b) one-third of the total number of normal working days in any period of 26 consecutive weeks.

The days of lock-out, rest days, annual leave and statutory holidays should not be counted as normal working days during the above periods.

For such cases, “Date on which termination took effect” refers to the expiry date of the four consecutive weeks or 26 consecutive weeks mentioned above.

Note 9 For employees to whom the abolition of the MPF offsetting arrangement applies and whose employment straddles 1 May 2025, their SP/LSP entitlement is divided into the pre-transition portion (i.e. derived from the employment period before 1 May 2025) and the post-transition portion (i.e. derived from the employment period from 1 May 2025 onwards).

The maximum amount of SP/LSP for an employee is \$390,000. If an employee’s total SP/LSP (i.e. the sum of the pre- and post-transition portions of SP/LSP) exceeds \$390,000, the amount in excess will be deducted from the post-transition portion (i.e. the amount of post-transition portion of SP/LSP should be equal to the remainder of \$390,000 after deducting the amount of pre-transition portion of SP/LSP).

The following formula applies to the calculation of both SP and LSP:

**(a) Calculation of Pre-transition Portion of SP/LSP**

<b>Monthly-rated employee</b>	(Last full month’s wages <sup>@</sup> immediately preceding 1 May 2025 × 2/3) <sup>+</sup>	×	Years of service preceding 1 May 2025 <sup>#</sup>
<b>Non-monthly rated employee (e.g. daily rated or piece-rated employee)</b>	(18 days’ wages <sup>@</sup> chosen by the employee out of his/her last 30 normal working days immediately preceding 1 May 2025) <sup>+</sup>		

**(b) Calculation of Post-transition Portion of SP/LSP**

<b>Monthly-rated employee</b>	(Last full month’s wages <sup>@</sup> immediately preceding termination of employment × 2/3) <sup>+</sup>	×	Years of service from 1 May 2025 onwards <sup>#</sup>
<b>Non-monthly rated employee (e.g. daily rated or piece-rated employee)</b>	(18 days’ wages <sup>@</sup> chosen by the employee out of his/her last 30 normal working days immediately preceding termination of employment) <sup>+</sup>		

<sup>@</sup> An employee may also elect to use his/her average wages in the 12 months immediately preceding 1 May 2025 or the termination of employment contract for the calculation.

<sup>+</sup> The sum should not exceed \$15,000.

<sup>#</sup> Service of an incomplete year should be calculated on a pro-rata basis.

For employee(s) whose wages were reduced before 1 May 2025 and/or termination of employment, and the pre-reduced wage rate was used to calculate the pre- and/or post-transition portions of SP/LSP entitlement as undertaken by the employer, please fill in the pre-reduced wage rate as appropriate in items (16) and (18) of Part IV of this Application Form and provide the supporting documents, such as a written consent for reduction of wages and an undertaking to use the pre-reduced wage rate for calculation of the pre- and/or post-transition portions of SP/LSP at termination of employment, etc.

Pursuant to section 31G(3) of EO, for non-manual employees whose employment commenced before 1980 and the average monthly wages for the 12 months immediately preceding 8 June 1990 exceeded \$15,000, their years of service can only be reckoned up to 1980 for the calculation of SP/LSP.

Note 10

**Definition of wages**

As specified under section 2 of EO, “wages” means all remuneration, earnings, allowances, tips and service charges, however designated or calculated, payable to an employee in respect of work done or work to be done. Allowances including travelling allowances, attendance allowances, commission and overtime pay are within the definition of wages. However, it does not include:

- (a) the value of any accommodation, education, food, fuel, water, light or medical care provided by the employer;
- (b) employer’s contribution to any retirement scheme;
- (c) commission, attendance allowance or attendance bonus which is of a gratuitous nature or is payable only at the discretion of the employer;
- (d) non-recurrent travelling allowance or the value of any travelling concession or travelling allowance for actual expenses incurred by the employment;

- (f) end of year payment, or annual bonus which is of a gratuitous nature or is payable only at the discretion of the employer; and

Overtime pay should also be included in calculating SP/LSP if:

- (a) it is of a constant character; or
- (b) its monthly average over the past 12 months is not less than 20% of the average monthly wages of the employee during the same period.

Note 11

It refers to the accrued benefits of the employee that are attributable to the mandatory contributions made to an MPF scheme by the employer. ***Employer-funded (mandatory) MPF scheme benefits cannot be used to offset the post-transition portion of SP/LSP.***

Note 12

It refers to the employee’s vested benefits attributable to employer’s contributions to an MPF-exempted ORS or the amount of benefits calculated in accordance with the following formula, whichever is less:

Employee’s final average monthly relevant income*	×	Employee’s years (and pro rata for an incomplete year) of service to which the employer-funded exempt ORS benefits are attributable**	×	5%	×	12
* “Final average monthly relevant income” means the employee’s average monthly relevant income in the 12 months immediately preceding the termination of employment, subject to the prevailing maximum level of relevant income under MPFSO.						
** Only years of service on or after 1 December 2000 will count.						

***Employer-funded (basic portion) exempt ORS benefits cannot be used to offset the post-transition portion of SP/LSP.***

Note 14

It refers to (a) employer-funded non-exempt ORS benefits of the employee (which is provided by the employer in addition to the employer-funded (mandatory) MPF scheme benefits); and/or (b) employer-funded (prescribed portion) exempt ORS benefits of the employee. (b) refers to the amount of employer-funded exempt ORS benefits that exceeds the employer-funded (basic portion) exempt ORS benefits (see Note 13).

***Employer-funded (specified) ORS benefits can be used to offset the pre- and/or post-transition portions of SP/LSP.***

- Note 15      Gratuities based on length of service payable to an employee because of the operation of the employee's contract of employment *can be used to offset the pre- and/or post-transition portions of SP/LSP*.
